Wm. Lloyd Garrison Esq.

Dear Sir

110 We invite you, with great pleasure on behalf of the Cincinnati Ladies Anti Slavery Sewing Circle and others, to deliver one of a series of lectures on American Slavery, to our Citizens on Thursday evening Nov. 2^d.

Our position on the border of the Slave States, and the present critical condition of public affairs, increase the importance of the proposed course of lectures, for which we are very desirous to obtain your valuable aid.

As some compensation, we have appropriated to each lecturer One hundred dollars, and will pay his expenses while in our City.

Please to advise us at the earliest possible moment, whether you can accept our invitation. In case you cannot lecture on November 2^d let us know if you can do so on Nov. 9th. Address Henry B. Blackwell Cincinnati.

Respectfully
Henry B. Blackwell
